

second position, said locking member cooperating with said locking legs to engage an inner surface of the external wall through the security slot; and

a cable, coupled to said cable attachment mechanism, for securing said housing to an object other than to the portable device.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 415-576-0200.

Respectfully submitted,

Michael E. Woods
